## **How To Apply**

The Free Application for Federal Student Aid (FAFSA) is an application used by virtually all two and four-year colleges, universities, and career schools for awarding Federal, state, and college-funded student aid.

## **Application Process**

The Free Application for Federal Student Aid (FAFSA) is the first step in the financial aid process. Complete the form online. You use it to apply for Federal student financial aid, such as grants, loans, and work-study. In addition, most states and schools use information from the FAFSA to award non-federal aid. Other application may be required for certain programs. Please check with the Financial Aid Office about other forms you may need. Be sure you use the FAFSA® Application | Federal Student Aid website. Using other FAFSA websites may ask you for a fee to process your free application.
