## International Student Insurance Policy

International students that are participating in any athletic activity must have a primary insurance plan. Please purchase a plan from the option explained below. **Insurance must be paid in full; we will not accept monthly payment plans.** You will need to renew this insurance for the following semesters/years if you are competing for following semesters. You must show proof of coverage before your acceptance letter and I-20 is created. Once you purchase the policy, forward the confirmation email to the Registrar's Office.
